FOR IMMEDIATE RELEASE

Andes Industries Sells North American Distributorship

GILBERT, AZ, USA – May 07, 2007 – Andes Industries, Inc., holding company of PCT International, Inc., (PCT) a leading worldwide provider of last-mile products for broadband communication networks, announced today it has sold its ownership position in PCT NA, LLC, (PCTNA), the company's exclusive distributor of certain products for the North American cable television operator market. As a result of the transaction, an entity owned by PCTNA's management team, JC Capital Enterprises, LLC, is now the sole owner of PCTNA, LLC and will retain its exclusive distribution rights on certain products.

Following the close of the transaction, PCTNA changed its name to Evolution, reflecting an expansion of its product portfolio. In addition to supporting its legacy drop product portfolio sold through Evolution, PCT will begin directly selling its PCT Fiber Optic and recently acquired Andrew Cable product portfolio directly to North American cable television operators.

About PCT International, Inc. and Andes Industries, Inc.

PCT International, Inc. and its holding company, Andes Industries, Inc., is a leading worldwide manufacturer of last-mile products for broadband communication networks. PCT focuses on innovative and cost-effective solutions that allow service providers to improve system integrity and expansion of their service offerings. PCT's portfolio includes transmission and connectivity products for the broadband, CATV, satellite and structured wiring markets. PCT is headquartered in Tempe, Arizona, and has over 1,500 employees. PCT maintains multi-international locations to support worldwide manufacturing, logistics, and distribution of its products and services. For more information, please visit www.pctinternational.com.
