

HARDENING THE DROP™

# JUMPER SLEEVE

ALL-IN-ONE CONNECTOR AND TOOL

## ENDTOEND MANUFACTURING

- Patent pending sleeve creates a built-in tool for easy, reliable connections
- Clear sleeve provides visibility to connector type
- Permanent design prevents sleeve frame from coming off of connector
- Flexible, oval design provides superior tool-less torque
- PCT-made connectors, coaxial cable, and jumpers
- Material price advantage passed onto our customers
- 24/7 USA manufacturing
