

# SOFT SIDED TOOL TOTE

## Professional and DIY Installer Accessory

Innovation for the Last Mile™

**Just the Right Size  
Durable and Ready to Go**

## INSTALLER ACCESSORY

PCT's soft sided tool tote helps professional and DIY installers keep their tools organized and accessible. The pouch is designed with internal and external pockets and a wide zippered opening allowing easy access to tools. A side carry handle makes it a cinch to pick up and go to any location.
