

AMIGO™

ZERO Waste Reel for MOGO® PRO

Your GREEN Cable Friend for the Environment
and the perfect companion for MOGO® PRO bag

PCT International has always been known for its innovative broadband products so it's natural that we would apply our expertise to the eco-friendly, one-of-a-kind AMIGO™ Zero Waste Reel.

We've taken our previous standard cable reels to a completely new level. The AMIGO™ is an industrial design that withstands everyday use and once again, plays as the perfect partner for the MOGO® PRO, defined in partnership with industry installation technicians.

Features and Benefits

- **No Waste / No Recycling / Truly GREEN**
 - Environmentally friendly eliminating recycling efforts
- **Re-usable polymer reel for 500 ft coax coils**
 - Coiled coax easily drops onto the re-usable reel and into the current MOGO® PRO bag.
- **Quick and simple cable replacement** (see page 2)
 1. Place cable onto reel
 2. Remove plastic
 3. Snap hub assembly together
 4. Zip bag closed and GO!
- **Easily accessible product and tool pockets**
- **Cable pay out slot with built-in end storage tab**
- **Water resistant bag**
- **Skid proof bottom**
 - Maximum anti-skid surface area for stability during pull making cable payout easy
- **Carrying strap and handles**
- **1000 ft coils and associated reel-less reels are also available for cable caddy operation**
